Vanderbilt University Medical Center Referring providers Careers at VUMC Academic Departments

ork-related injury or illness. You must report all injuries to the Risk Management Office via the VERITAS application: rk Injury / Illness Reporting. Your supervisor or another individual may also ...

NOTE: You must be on a Vanderbilt workstation in order to access VERITAS. If you are at home, you will need to VPN through the Vanderbilt firewall.

Essentially in VERITAS we aim to find and record the truth of what takes place in any adverse event at VUMC. These events affect patients, visitors, and employees.

If you are at not on a Vanderbilt network, you will need to VPN through the Vanderbilt firewall. ALWAYS select Vanderbilt University as the organization!! (You can then use the Site, Department, and ...
