

10kW external cabinet for user in communication equipment room

What is a multitenant outdoor cabinet?

Vikiner's multitenant outdoor cabinets enable multiple operators or equipment types to share the same protected infrastructure. Segmented internal layouts and isolated compartments ensure electrical and thermal separation, making them ideal for shared telecom or co-location sites. Get technical specifications and pricing tailored to your project.

What are icecube cabinets & racks?

ICEcube delivers industry-leading NEMA Cabinets and Racks designed to safeguard critical rack-mount equipment and batteries.

What is icecube equipment cabinet?

Equipment Cabinets Single & Multi-Bay W/EZ Access(TM) Battery Chamber ICEcube offers three distinct mounting configurations to accommodate various applications. Wall and pole mount cabinets are ideal for compact installations where space is limited, providing secure and efficient housing for your equipment and/or batteries.

Why should you choose NEMA equipment cabinets?

Whether deployed indoors or in rugged outdoor environments, these NEMA cabinets maintain optimal operating conditions for critical components. Equipment Cabinets Single & Multi-Bay W/EZ Access(TM) Battery Chamber ICEcube offers three distinct mounting configurations to accommodate various applications.
