

Are Yingli photovoltaic panels genuine

Who is Yingli in solar panels?

Yingli is a leading Chinese manufacturer of solar PV modules. We have chosen Yingli Solar Panels for our complete systems due to their module quality, performance, and company financial health and stability. Yingli is one of the leading solar panel manufacturers in China.

Are Yingli solar panels suitable for ground-mount solar projects?

These panels would be better suited to ground-mount solar projects. Yingli's latest solar panel to drop in Australia in early 2024 is the Panda 3.0 Pro. This is a 440W bifacial solar panel which utilises N-type monocrystalline cell technology. The panel dimensions are 1.76m by 1.13m making it ideal for residential rooftop solar installations.

Does Yingli Solar offer bifacial solar panels?

Yingli Solar offers panels for all kinds of projects: there are panels for making a home system and there are high-output PV modules for building a solar farm. Chinese engineers seem to really like bifacial modules: half of Yingli Solar products are panels with an active rear side which are called Panda.

Is Solar Choice affiliated with Yingli solar panels?

Note: Solar Choice is not associated with Yingli Solar Panels and is not an solar installer and has no financial or other incentives to promote any product brand over another.
