

# Hungarian quality energy storage battery brand

What are the top 10 battery manufacturers in Hungary in 2025?

This article introduces the top 10 battery manufacturers in Hungary in 2025 such as; CATL, Sunwoda, BYD, EVE Energy, CALB, SK On, Samsung, SDI, GS Yuasa, Inzi Controls, Huayou Cobalt. Last Updated on June 12, 2025

Does Samsung have a battery factory in Hungary?

Samsung SDI, the battery manufacturing arm of Samsung, is expanding its presence in Hungary to meet the growing demand for electric vehicle (EV) batteries. The company is currently expanding its second battery factory in the country, with completion expected by September 2024.

Who makes GS Yuasa Batteries?

In North America, GS Yuasa holds a dominant position in the power sports battery market, supplying nearly 90% of the batteries used in power sport vehicles. GS Yuasa Hungary Ltd., established in 2017 in Miskolc, Hungary, is the company's first overseas lithium-ion battery plant.

Is Eve a good battery company?

EVE Energy is a leading lithium battery company with a diverse range of consumer, power, and energy storage batteries. Its portfolio includes large cylindrical, iron-lithium, and soft-pack batteries, gaining strong market recognition. In January-February 2023, EVE ranked top five in China's New Energy Passenger Vehicle market and top ten globally.

Hungary has just switched on its largest battery energy storage system (BESS) to date, stepping up its role in Central Europe's growing grid-scale energy transition.

Discover all relevant Battery Storage Companies in Hungary, including navitasoft and HeatVentors

FTMRS SOLAR specializes in photovoltaic power generation, solar energy systems, lithium battery storage, photovoltaic containers, BESS systems, commercial storage, industrial storage, PV ...

This article highlights the top 10 battery manufacturers in Hungary in 2025, providing an overview of their backgrounds, products, and latest developments in Hungary, offering insights into ...

Whether you are a distributor looking for OEM/ODM support or an EPC contractor seeking reliable energy storage lithium battery supplies, SolarEast BESS offers the scalability and ...

We specialize in large-scale energy storage systems, mobile power stations, distributed generation, microgrids, containerized energy storage, photovoltaic projects, photovoltaic products, solar industry ...

Hunova Built offers its own brand, Hunova Energy Storage (based on mature LFP technology), as well as popular energy storage brands such as Sofar, Deye, and FoxESS.

## Hungarian quality energy storage battery brand

As a global lithium battery manufacturer with deployments in 138+ countries, GSL ENERGY supports Hungary's fast-growing energy storage ecosystem with reliable, modular, and ...

Hungarian companies like NEXTRA Energy are mastering battery cell repurposing - turning old EV batteries into grid storage warriors. It's like teaching your grandma's rotary phone to ...

In this week's Top 10, Energy Digital takes a deep dive into energy storage and profile the world's leading companies in this space who are leading the charge towards a more sustainable energy future.
