

# Longi photovoltaic monocrystalline panel 390 watts

Who is LONGi Solar?

LONGi Solar is the world's leading manufacturer of high-efficiency monocrystalline silicon wafers and PV modules. With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance solar panels for utility, commercial and residential projects. Nastech Solar offers LONGi products for a green future.

What is Longi high-efficiency solar module?

LONGi High-efficiency solar Module, widely adopting PERC solar cells technology, Half-cut Module Technology and Bifacial PV technology, Mono Silicon Crystalline Technology has become a leading manufacturer and brand in the export and installation of monocrystalline silicon solar photovoltaic module.

Are LONGi Solar panels bifacial?

Backed by advanced technologies, LONGi solar panels feature excellent power ratings and top conversion efficiencies, and can be used across all market segments. LONGi's field-proven bifacial modules deliver added performance benefits and long-term reliability.

How efficient is Longi's crystalline silicon-perovskite two-terminal tandem solar cell?

Certified by the U.S. National Renewable Energy Laboratory (NREL), the conversion efficiency of LONGi's independently developed crystalline silicon-perovskite two-terminal tandem solar cell has reached 34.85%, once again breaking the world record for the efficiency of crystalline silicon-perovskite tandem cells.

The LonGi 390W Solar Panel (LR6-72HBD, 370-390 Watt) combines cutting-edge bifacial PERC and half-cut technology to offer high efficiency and durability. With a maximum power output of 390W and ...

High-Efficiency 390W Solar Panel by Longi, Jinko & Trina, Find Details and Price about Half-Cell Module Panel 390 Watt Panel from High-Efficiency 390W Solar Panel by Longi, Jinko & ...

Our field-proven bifacial modules deliver added performance benefits and long-term reliability. LONGi is more than a product supplier, offering project consultation, design, installation, ...

Competitive Price Mono Solar Pv Module 385w 390w 400w Solar Panels Longi Ja Trina - Buy 390 Watt Solar Panel, 380w 385w 390w China Solar Panel Pv Manufacturer, Monocrystalline Solar Panel 390w ...

LONGi Solar panels have been a reliable solar panel option for many Texas homeowners seeking the latest technology and long-term performance in an affordable solar panel.

Our core products - PV modules, are rational designed, excellent in workmanship, and have a stable performance, power range covers 3Wp-400Wp, are widely used in photovoltaic power ...

As a world-class solar products manufacturer, Sunpal specializes in the research, development, production, and sales of solar PV products and solar panels. Sunpal focused on research and ...

# Longi photovoltaic monocrystalline panel 390 watts

With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance solar panels for utility, commercial and residential projects. Nastech Solar offers LONGi products for a green future.

We are Professional Manufacturer of 72 Cells Monocrystalline Silicon 390w Solar Panel Longi company, Factory & Exporters specialize in 72 Cells Monocrystalline Silicon 390w Solar Panel Longi wiht High ...

LONGi launched its mono-PERC modules in 2016, featuring integrated PERC technology on monocrystalline silicon and low light degradation, and its cell efficiency has increased from 21% to ...
