

Off-grid modular solar cabinet mobile type for urban lighting

The MOBICELL-350 delivers a hybrid solar battery system with 350W fuel-cell cabinet. Ideal for industrial, telecom and remote off-grid installations in Canada & USA.

The Soluxio product range offers solar lighting and connectivity systems that are 100% solar-powered and operate independently from the power grid. Soluxio is distinctive for its cylindrical solar panels, ...

It integrates advanced photovoltaic modules, inverters, and electrical cabinets into a compact and functional unit. Ideal for remote areas, emergency power supply, and various off-grid applications, ...

Greenshine has solar lighting systems that offer the perfect solution for projects in need of temporary and portable lighting. Our mobile solar light tower brings solar ...

Our LED solar light towers offer complete off-grid functionality with the convenience of built in trailer transport & easy setup. Browse our selection or talk with an expert.

These mobile illumination stations combine advanced solar technology with high-intensity LED floodlights to light up any space, all while operating completely off ...

Design tender-ready solar power systems for street lighting: PV + LiFePO4 battery + MPPT controller/ESS, wiring diagrams, protections, and BOM. Get an engineer-reviewed sizing proposal.
