

Solar generator set for sale

What is a solar generator kit?

A Solar Generator Kit has everything you need to go solar quickly and easily. Whether you want to keep your devices powered up during a blackout or take power with you on the go, Solar Generator Kits from Shop Solar have the top portable power stations on the market yet still manage to save you 50% or more on the cost of a solar power system.

What is a solar generator?

Solar generators are the ultimate solution for portable, quiet, and free renewable power. Perfect for keeping your home running during blackouts or powering devices on your off-grid adventures, solar generators harness the sun's energy to provide clean, reliable electricity wherever you are.

What is included in a solar generator?

Each solar generator includes a charger, solar panel cables, and is backed by a manufacturer warranty and lifetime customer support. Take control of your energy needs with a sustainable and cost-effective power solution that delivers freedom and flexibility.

Why should you buy a solar generator?

With easy setup, minimal maintenance, and no need for fossil fuel, solar generators offer a hassle-free way to stay powered up. Each solar generator includes a charger, solar panel cables, and is backed by a manufacturer warranty and lifetime customer support.
