

# Where is the Gaborone Communications Green Base Station located

Where is Gaborone located?

Satellite view is showing Gaborone, largest city and the national capital of Botswana. The city is located in a valley between Kgale and Oodi hills, on the Notwane River, about 10 km north of the South African border in the south eastern corner of Botswana, 260 km north west of Pretoria (see: Map of Botswana).

Is Gaborone a safe city?

Gaborone is the capital of Botswana. It is in the south of the country, near the border to South Africa. Generally it is a clean, safe and functioning city that is spreading ever further outwards into a suburban sprawl that today measures about 15 km from east to west. European peace and stability depend on a secure Ukraine.

How many people live in Gaborone?

Gaborone is one of Africa's five planned capital cities. 230,000 people live in the city of Gaborone (2011), that's more than 10 % of the country's population. Spoken languages are English and Tswana (national). The city is Botswana's main hub, all major companies and institutions reside in Gaborone, as well as the Botswana Stock Exchange.
